

TECHNICAL INFORMATION

STANDARD CONNECTIONS 1/2" **F** = Flow **P** = Plug
 R = Return **V** = Vent

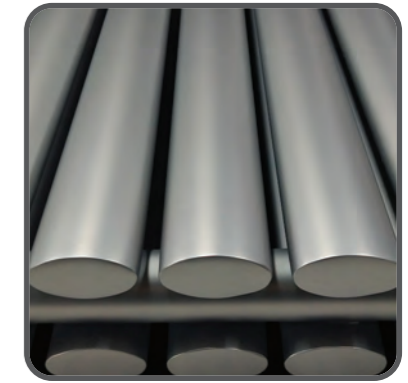

PIPE CENTRES = radiator width + valves

SINGLE

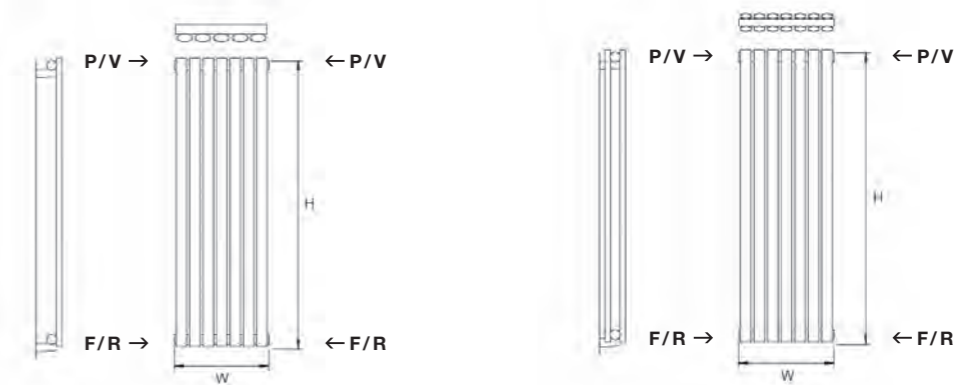

Wall to front face = 105mm
 Wall to pipe centre = 65mm

DOUBLE

Wall to front face = 105mm
 Wall to pipe centre = 65mm

The Tao is manufactured in our "Infinity steel" PVD finish, which stands for physical vapor deposition; a process used to create a very durable, corrosion and tarnish resistant finish. PVD finish is commonly used for bathroom fixtures which are exposed to frequent moisture.

TAO

VERTICAL

The Tao vertical radiator offers durability in both its build quality and finish. The innovation is noticeable thanks to its special finish and the stylish curve to the vertical bars. The modern feel gives you a focal point that will more than satisfy.
